Pharmacy

# Project Somerset

**Three company owned community pharmacies, located in Walsall, West Midlands. Available individually or as a group.**

We are delighted to be instructed to offer for sale three company owned community pharmacies, located in Walsall, West Midlands.

They are available individually or as a group, and make excellent opportunities for first time buyers and existing operators alike to acquire and grow their estate.

- Standard Hour contracts
- Health centre and community settings
- Dispensing between 2,500 and 5,750 items per month
- Two freeholds available - one leasehold unit
- Operated by full time or locum management
- Asking prices range from £175,000 to £700,000
